Summer 2014 Newsletter

I would like to take this opportunity to welcome you to the club's revitalized newsletter!

My name is Tom and I am an alcoholic. I am presently serving as the President/Interim Manager of the club. From June through July we have been a busy crew- painting walls, installing new carpets, repainting ceiling tiles and replacing lights, cleaning the kitchen, pantry and freezers.

However there is still more to do!! We could really use your help and as an extra bonus you will earn your spiritual air miles!!!

Where do we go from here?

The Board has been considering ideas and we welcome any suggestions from the membership to move the club forward. First off we are looking at bringing back the 3 membership/ Board meetings, hopefully the third weekend in January, April, and July. The last Saturday of the month, North Shore Live will be having a dinner meeting in the cafeteria, prior to the meeting.

Other ideas include:

- A flea market at the club in September
- An Arts and Crafts Fair in November.
- A dinner, meeting and a dance on Wednesday Dec 31st - the details still to come.
- A Golf tournament in the spring/summer of 2015
- Possibly opening the cafeteria for light meals at night, from 5 pm or 6 pm until 10 pm.
- A group is considering an afternoon meeting Monday to Friday from? To ?
What is the best time - let us know!

The Power of One:

The month of June was a success in membership as we increased from 23 to 38. We are presently at 42. Can you imagine, if each member had one person register as a member - our membership would be in the 80's! It has been a while since that's happened! So let's challenge ourselves to sign up that new member.

**Please call Tom T., if you have a few hours to contribute at the club.
If you have ideas for meetings, events or activities please let us know!**

**Thank you to all our volunteers!
Many "Spiritual Air Miles" have been earned!!**

ODDS, SODS AND KUDOS!

Come and play **ping-pong** on Sunday morning from 9:15 am to 10:45 am! Let us know of other games you would like to see - such as crib, bridge, chess etc.
